'65 PRINCETON® REVERB:

Our good friend and '65 Princeton Reverb amp devotee Jim Campilongo just released a new album called *ORANGE*. It's a fantastic display of Telecaster® magic, so in honor of the occasion, we built Jim a special Princeton drenched in Orange vinyl. When we saw it in person, it looked so cool that we decided to offer a limited run for the rest of the world. Built to order through January 2010 only! Ships in May 2010.
