

Gibson CUSTOM

"It is truly a special sunburst Les Paul and is the flagship of my collection. I love this guitar."

-Joe Bonamassa

Gibson Custom and Joe Bonamassa are pleased to present "Skinnerburst" aka Principal Skinner and possibly the hardest working original '59 Les Paul in the world. In a long-coming collaboration with Gibson Custom, Joe allowed our Engineers and Craftspeople complete access to this now legendary Les Paul. The result is a very limited run of "Skinnerburst" '59 Les Pauls that capture the look, tone and feel of Joe's own favorite.

From its Dirty Lemon finish and decades of character worn into it by its four owners, to its custom wound pickups, every detail that makes Skinnerburst Joe's most played stage and studio companion are recreated in the hands of Gibson's highly skilled team. "Skinnerburst's" neck profile, top carve and patina are all here, along with its hot hide glue neck construction, vintage accurate lightweight aluminum stopbar tailpiece and Kluson Green Key tuners. All 150 aged (50 played and signed by Joe) are completed at the hands of Tom Murphy to insure the most accurate recreation of "Skinnerburst's" current day state.
150 Vintage Original Spec versions are also available, completing a Limited Edition of 300 total.
