Introducing the Fender® Blacktop series. Absolutely the most easily affordable humbucking pickup-equipped models Fender has ever brought you, in utterly cool new versions of our four most venerable guitars—the Stratocaster®, Telecaster®, Jazzmaster® and Jaguar®. The Blacktop Telecaster HH is a no-nonsense dual-bucker Tele that'll blow your mind without breaking the bank. Vintage-style Fender Blacktop alnico humbucking pickups deliver the hot high-gain power of today's most aggressive sounds; other distinctive touches include skirted black amp knobs, reversed control plate and a vintage-style hard-tail bridge with six grooved saddles for optimum string alignment. Features include an alder body, maple neck, 9.5"-radius rosewood or maple fretboard, 22 medium jumbo frets, gloss urethane finish and nickel/chrome hardware.
